

## Yayasan Usaha Mulia Foundation for Noble Work

**Dear friends of YUM,**

With the festive season approaching, we ask you to remember those in need by giving a gift that will last a whole year long:

**The gift of a 2007 child sponsorship at our KUU Learning Centre project.**

Just imagine:

Your gift will arrive in your friend's or family member's mailbox with a note on the envelope that says:

***"A valuable gift from [your name]. Do not open before December 25th!"***

On December 25th, he or she will open the envelope to discover that you have purchased a child sponsorship for a whole year - ***in their name***.

This is a gift that can double as two gifts – as your gifted sponsorship provides for the education, nutritious meals, clothes and shoes for a child who would otherwise have no one else to turn to; the alternative is to be sent out by their parents to the streets to beg - instead of being sent to school.

What a great way to tell them how much you care!

Your gift recipient's name will be credited in our newsletter as a sponsor – and yours will be too!

As we must allow time for the postal delivery to take place by December 25th, ***please act now!***

The cost of a one-year sponsorship for a child at the KUU Learning Centre Project and Government School Program is:

US\$125 / Euro 100 / Pd Sterling 70 / Rp 1,150,000

Credit card payments should be made through Susila Dharma International:

Bank transfers may be made to:

*Please, after you make your credit card payment or bank transfer, please send an email to us with:*

- The gift recipient's full name, postal address, *and* email address, if possible.
- Alternatively, we can send the card to *your* postal address - if you would like to deliver it yourself. (We will still need the gift recipient's name & email address to provide follow-up reports.)

Thank you so much!

Wishing you and your loved ones all the happiness and joy of the coming holiday season, and a great new year ahead for everyone,
